GeoJournal 38.4: 477–479.

GeoJournal An International Journal on Human Geography and Environmental Sciences

Contents vol 38 nos. 1–4 1996

Volume 38 no. 1 January 1996
Geography and Literature

Fact and fiction: Geography and literature, Lando, F. 3–18

Battles from below: A literature of oppression, Gilbert, E.; Park, D.C.; Simpson-Housley, P.; Scott, J.S. 19–28

Texts of place: 'A secret landscape hidden behind the everyday', Osborne, B.S. 29–39

Speaking with the same voice: Geographic interpretation and representation of literary resources, Lamme, A.J. III 41–48

The picturesque and the sublime in nature and the landscape: Writing and iconography in the romantic voyaging in the Alps, Scaramellini, G. 49–57

Charles Dickens and London: The visible and the opaque, Robinson, B. 59–74

Landscapes, places and geographic spaces: Texts of Beatrix Potter as cultural communication, Squire, S.J. 75–86

A low plain between arcadia and agronomy: Ippolito Nievo and the Friulan landscape, Vallerani, F. 87–97

Tangible and mythical places in José M. Arguedas, Gabriel García Márquez, and Pablo Neruda, Caviedes, C.N. 99–107

Poets and narrators from Mendoza and their local perceptions, Furlani de Civit, M.E.; Gutiérrez de Manchón, M.J. 109–118

Locating imaginary homelands: Literature, geography, and Salman Rushdie, Sharp, J.P. 119–127

Geographic memories in travelogue literature: The Australian social landscape in the writings of Italian travelers, Lucchesi, F. 129–136

Volume 38 no. 2 February 1996
Agricultural Change in Eastern Europe

Agriculture in Eastern Europe: Communism, the transition and the future
Turnock, D. 137–149

The development, present significance and future prospects of socialist agricultural enterprises in Slovenia
Vrišer, I. 151–156

Emerging patterns of restructured farm businesses in Eastern Germany
Wilson, O. 157–160

Spatial variations in the progress of land reform in Romania
Bordanc, F. 161–165

Policy concerns in Bulgarian food distribution
Mueller, R. 167–174

The changing Romanian village: The case of Semlac in Arad County, Romania
Ianos, I. 175–179

Changes in Hungary's agrarian sector with special reference to the northern hill region
Varga, Z.S. 181–184

Albania: Rural development, migration and uncertainty
Hall, D.R. 185–189

Agriculture versus tourism in rural areas of the Polish Carpathians
Kurek, W. 191–196

The potential for traditional food and drink products in Eastern Europe: Fruit processing – especially brandy ("tuica") distilling – in Romania
Muica, N. 197–206

The ecological consequences of privatisation in Romanian agriculture
Muica, C. 207–212

Ecological problems arising from intensive agriculture in Western Slovakia
Drgona, V. 213–218

The impact of tourism and conservation on agriculture in the mountains of Valcea County, Romania
Ploaie, G. 219–227

Volume 38 no. 3 March 1996
Natural Hazard Mitigation

A brief report of the International Congress on Geomorphological Hazards in the Asia–Pacific Region
Oya, M. 229–234

Large floods in the lower Vistula River
Grześ, M. and Szupryczyński, J. 235–240

Catastrophic implications of global climatic change in the cold regions of Eurasia
Demek, J. 241–250

Natural hazards in Taiwan
Chang, Jui-Chin 251–257

Sequential analysis of China's hazards in geoscience
Chen Zhiming 259–263

Does the hazard change with new legislation? – The New Zealand experience*
Heerdegen, R.G. and Rosier, D.J. 265–271

Geomorphological zoning for flood inundation using satellite data
Haruyama, S., Ohokura, H., Simking, T. and R. 273–278

Flood and alluviation caused by iron sand minings (*kanna-nagashi)* in the Chugoku Mountains, Southwestern Japan
Sadakata, N. 279–282

Coastal erosion in the Gulf of Thailand
Nutalaya, P. 283–300

The countermeasures against coastal hazards in Japan
Koike, K. 301–312

Tsunami magnitudes in Taiwan, the Philippines and Indonesia
Hatori, T. 313–319

Monitoring of geomorphic effects of the 1980 eruptions of Mount St. Helens, Washington, USA
Rosenfeld, C.L. 321–328

Geomorphological maps for Japanese volcanoes by Geographical Survey Institute, Japan
Koarai, M., Tsuzawa, M., Kumaki, Y. and Sekiguchi, T. 329–337

River processes after rapid valley-filling due to large landslides
Shimazu, H. and Oguchi, T. 339–344

Land hazards of the Kushiro–Oki earthquake of 15 January 1993
Yamamura, E. 345–348

Two surveys for taking measures to cope with the coming earthquake to the Tokyo Metropolis
Matsuda, I. 349–353

The effect of urbanisation on sediment disasters
Maruyama, Y. and Sugiura, M. 355–364

Designs of medium scale hazard maps of mountain slopes in Japan
Akojima, I. 365–372

Geomorphological survey for mass-movement hazard assessment
Kumaki, Y. 373–377

Volume 38 no. 4 April 1996
The Republic of Croatia

Editor's note 379

A review of the historical development of the Republic of Croatia
Pavličević, D. 381–391

Croatia's territorial consolidation and prospects for the future
Klemencic, M. 393–398

Croatia and Central Europe – the geopolitical relationship
Topalović, D., and Krleža, M. 399–405

Croatia – the land and natural features
Bognar, A. 407–416

The population of Croatia
Šterc, S. and Crkvenčić, I. 417–424

National minorities in the Republic of Croatia
Žuljić, S. 425–429

Emigration and emigrants from Croatia between 1880 and 1980
Čizmić, I. 431–436

The development and structure of the Croatian economy
Feletar, D. and Stiperski, Z. 437–444

Croatia – a coastal and maritime country
Stražičić, N. 445–453

Croatia as a Danube country
Crkvenčić, I. and Malić, A. 455–462

Croatia in the continental traffic network of Europe
Malić, A. 462–468

Croatia – "a small country for a great vacation"
Pepeonik, Z. and Curić, Z. 469–475

Volume contents 477–479
